My dear Mirza.

I am sending you some papers just received from the Dewan.
I do'nt know what lies behind his proposal to appoint Mr. Matheau as Food Controller now for his affects the work now for Rangacharlu Rao Saheb.
The Dewan writes about Mr Matheau as if he had had 40 years Experience in Commercial matters now! Can we have a talk some time today or shall we let Mr Matheau see our Cell to-morrow

Dear Mirza

I send you more correspondence about Mohammed Dawood who had better take his file to Kashmere & can discuss it in the train

The Dewan is very persistent & lays great stress on his so-called Superseesions envolvement. All the same his appointment gives him no more pay - While increasing his chances of promotion, it leaves him exactly where he was before in the matter of seniority

Yours sincerely,

Ranganathan
